BLUE WINGS
AERIAL SOLUTIONS

BLUE WINGS AERIAL SOLUTIONS

bluewings-aerialsolutions.com

Blue Wings is an in-house drone partner transforming businesses by integrating drones into core operations, from energy/utilities to logistics. They manage the whole cycle of fleet operations from drone selection, software integration, data capture, and analysis, bridging the gap across industries.

BOOBYS MOBILE BEVERAGES

drinkboobys.com

Boobys™ Mobile Beverages is a bold coffee and mocktail brand named after the iconic Blue-Footed Booby bird. They are not here to join the beverage industry. They are here to disrupt it. Standout drinks, cheeky branding, and a name you will never forget. That is the Boobys promise.

OPTIMIST

OPTIMIST

optimist.gg

Optimist is a B2C computer company that specializes in workstation desktops, home servers, travel computers, and gaming PCs. With the explosion in demand for AI training and computing power, they're focusing on creating portable, powerful, and quiet AI systems by building proprietary cooling systems.
